

# Formation of Disc Galaxies in Major Mergers : Comparing Properties of the Merger Remnants to Observations

Nicolas Peschken, with E. Athanassoula, S. Rodionov, J.C. Lambert.  
Laboratoire d'Astrophysique de Marseille

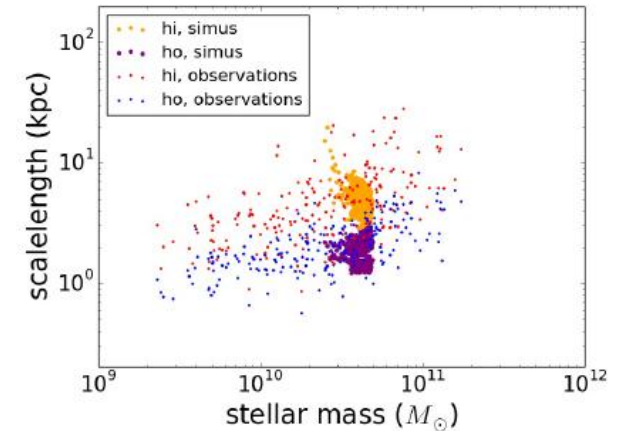

## Radial stellar density profile

## Comparison to observations

(Laine et al. 2014, Munoz-Mateos et al. 2013)

### type II

## Location of the break
